Dear New Venture Customer,

We think you will be very happy with your decision to purchase one of our Paks! Venture offers 2 different automatic payment options for your billing convenience. (1) Bank deduct from a checking or savings account, or (2) automatic payment via credit or debit card.

Please fill out ONE of the 2 payment options to set up automatic payment. Filling out both options will cause a delay in setting up your automatic payment arrangement.

OR You can set up your electronic payment and electronic billing information on our website, www.venturecomm.net, via the PayBill link. You will need to have your Venture account number to set up your account online. Example 00012345-6

If you are subscribed to the Stampede package or the Rush package, and have set up automatic payment you can also choose paperless billing and receive a \$2 discount on your services. This means you will only receive an email notification that your bill is ready to view online no paper copy will be mailed to you.

If you need any assistance, please call us at 605- 852-2224 press 1 for the billing department. Thank you and we look forward to your continued business.
