January 2017

Dear New Venture Customer,

We think you will be very happy with your decision to subscribe to services from Venture Communications. Venture offers 2 different automatic payment options for your billing convenience. (1) Bank deduct from a checking or savings account, or (2) automatic payment via credit or debit card.

**Please fill out ONE of the 2 payment options to set up automatic payment.**

Filling out both options will cause a delay in setting up your automatic payment arrangement.

**OR** You can set up your electronic payment and electronic billing information on our website, [www.venturecomm.net](http://www.venturecomm.net), via the Pay My Bill link. You will need to receive your first paper bill, so you can get your invoice number and amount due.

Once you receive this bill you can also receive a \$2 discount on your services if you subscribe to both "Web bill only" and set up an automatic payment. This means you will only receive an email notification that your bill is ready to view online and no paper copy will be mailed to you.

If you need any assistance, please call us at 605- 852-2224.

Thank you and we look forward to your continued business.

Sincerely,

VENTURE COMMUNICATIONS COOPERATIVE
