South Dakota Association of Cooperatives Scholarship!

**The Scholarship
application deadline
is October 1, 2022.**

An educated and skilled workforce is vital to the continued success of our cooperatives. SDAC believes in supporting the development of that workforce and is pleased to announce the SDAB Scholarship Program.

The scholarships will be awarded to second-year higher-education students who are pursuing a degree relative to the cooperative business and who are members of an SDAC member cooperative.

SDAC is awarding two \$1,000 scholarships to students that qualify. Scholarships are available by emailing **bforman@sdac.coop** or by calling **605-945-2548**.

Streaming TV is *Not* a Fad!

Streaming TV services are here to stay. Streaming allows TV customers to pick and choose the programming that interests them and fits the needs of their families. More and more customers are “cutting the cord” and moving to streaming TV services as their main or only method of receiving TV. By doing this, customers are able to be more mobile with their devices and how they watch TV. Snowbirds, college students and vacation homes are just a few examples of people taking advantage of this service.

There are many apps that allow the choices of an individual channel such as ESPN+, Cowboy Channel and Paramount+, that allow you to watch what you want, when you want. There are also many streaming packages like YouTube TV and Hulu TV that offer local channels. Plus, by streaming, you are avoiding any expensive installation fees and are not required to sign any type of contract.

Streaming your TV services. With Venture’s fiber optic Rushnet Wi-Fi steaming your TV is seamless, with speeds ranging from 100/100mbps all the way to a gigabit, there is certain to be a speed that fits the needs of your home.

Give us a call today to sign up for an internet speed that will satisfy your family’s needs. Call 605-852-2224 or email us at venture@venturecomm.net and we will be happy to assist you.

Venture *Learning* Center!

Go to **venturecomm.net/learning-center** for easy instructions on how to set up and use services, or manage your Venture account.
