

*Happy Thanksgiving* to our valued customers from all of us at Venture Communication Cooperative. We will be closed on Thursday, November 24th, to spend time with family & friends.

**HAPPY**  
*Thanksgiving*

KEEPING YOU...

# In Touch

November 2022 ■ Volume 46 ■ Number 508

## New B2B Publication to Assist *Business* Customers!

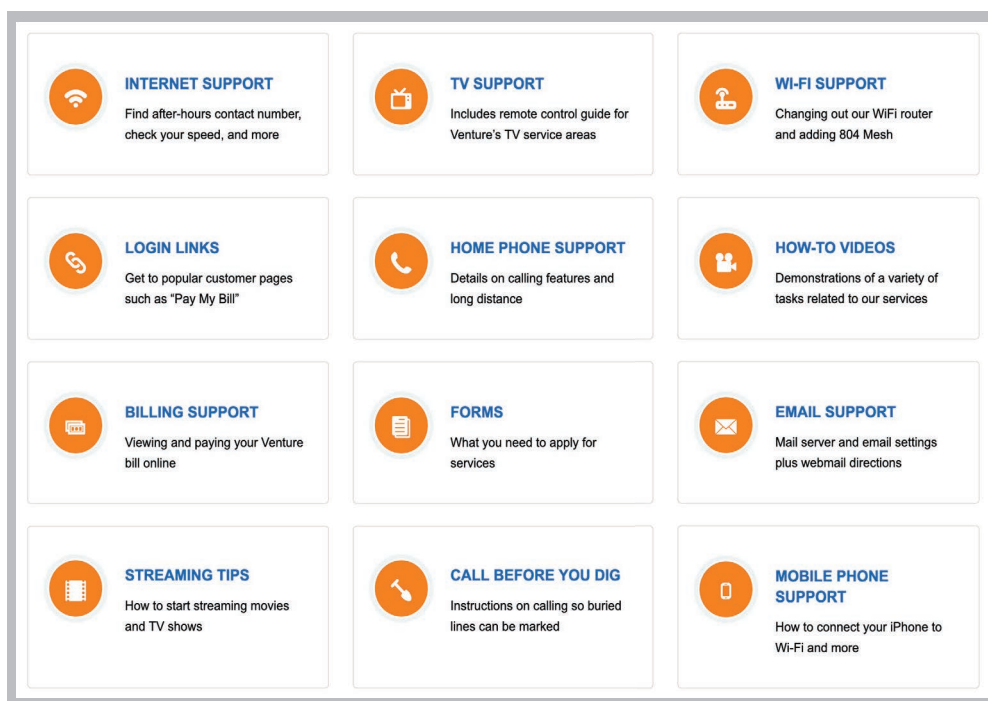

Venture Communications has developed a quarterly publication to provide valuable information about communications technology and related topics. We are committed to helping you move your business forward. Every issue of this magazine will include an article about one of our local business customers. We hope you enjoy Business Solutions and learn strategies you can put to work at your business.

Each issue will spotlight a local business that utilizes our Hosted PBX phone service. This next generation of phone technology is a seamless form of communication and call management that can be utilized between different business locations. It offers affordability, efficiency, security and reliability to your business.

Also included in each edition will be technology tips, information about fiber technology and an employee spotlight. Please contact us when you have a communications challenge and Venture Communications will assist in finding a solution.

If you are a business customer and have not received your fall edition of Business Solutions, please let us know by calling 605-852-2224 and we will mail you a copy.

## Venture Learning Center!

For easy instructions on how to set up and use services, or to manage your Venture account, go to:  
**[venturecomm.net/learning-center](http://venturecomm.net/learning-center)**

**Call 511  
BEFORE Traveling!**

With winter approaching quickly, we all dread the winter travel worries. Before you travel, remember to call 511. This toll-free number, provided by the South Dakota Department of Transportation and the South Dakota Highway Patrol, offers up-to-the-minute information about weather and road conditions.

By dialing 511 on your land-based or cellular phone, you can receive location-specific road and weather information on any Interstate, US or state highway in South Dakota, North Dakota and Minnesota. Another great resource is the newly updated website found at **[www.sd511.org](http://www.sd511.org)**, offering many benefits. There is also a new app you can download for iPhones and Androids.

Travelers should not confuse 511 with 911, the nationwide emergency response number. 911 should be called for any situation requiring police, fire department, ambulance or other emergency services. 911 is manned by trained public safety dispatchers throughout the state of South Dakota.

## Venture Digital TV will Air the 2022 State Volleyball Tournament!

**Coverage for all AA, A and B games will begin on Thursday, November 17th and continue through Saturday, November 19th.**

Venture Communications, in cooperation with South Dakota Public TV (SDPB), will partner to bring the 2022 State Volleyball Tournament to Venture communities. For fans who will be unable to travel and attend the games in a live setting, Venture Digital TV will bring the live action to you.

Tune to the following Venture Digital TV channels to watch your favorite team:

- **Class B** will be broadcast on Venture Digital TV Channel #399
- **Class A** will be broadcast on Venture Digital TV Channel #400
- **Class AA** will be broadcast on Venture Digital TV Channel #401

To access additional game times and team standings throughout the day, go to **[sports.sdpb.org](http://sports.sdpb.org)**.
