Falling down the internet rabbit hole?

Enjoy the wonderland more with wonderfully fast internet!

Curiosity led Alice down, down, down the rabbit hole and toward all kinds of adventure. You may be able to relate to her as you click, click, click your way from one video, social media post, online store, or article to another.

There's so much to discover when you fall down the internet rabbit hole. All you need to make the most of this wonderland is some spare time and a fast connection. We can help with the latter.

Call 605-852-2224 for faster speeds.

Speaking of rabbits, we wish you a happy Easter!

Director Elections for 2023 Scheduled

In accordance with the bylaws of Venture Communications Cooperative, director elections have been scheduled for four districts where terms are to expire. Election notices will be mailed to each member in districts where an election is to be held.

Any person who qualifies under the cooperative's bylaws may run for the directorships, including incumbent directors.

District Director Elections are scheduled as follows to elect one director from each district:

June 6, 2023 • District #2

Wessington Springs Exchange

June 8, 2023 • District #3

Highmore, Orient, Ree Heights, & Seneca Exchanges

June 15, 2023 • District #5

Hitchcock, Tulare, & Wessington Exchanges

June 13, 2023 • District #9

Langford, Pierpont, & Roslyn Exchanges

Should there be only one petitioner in any of these districts, the scheduled election will be canceled. Notification of meeting cancellations will be published in local newspapers.

Members should refer to the election notice for meeting details such as time, place, and petition deadlines. Please call 605-852-2224 if you have questions concerning the elections.

There's a Simple Solution to Much Simpler WiFi

WiFi doesn't need to be complicated. So, if you find yourself having to think about your home's WiFi network more than you'd like, you'll love having Venture WiFi.

This service comes with all residential internet plans from Venture Communications and handles a variety of WiFi tasks for you:

- Installation of a next-generation router with powerful WiFi 6
- Selection of the best router location in your home for optimal coverage and signal strength from room to room
- Setup of your WiFi security password to avoid others using your WiFi network without your permission
- Assistance with connecting your devices — such as laptops, tablets, phones, and printer — to the WiFi network
- Ongoing maintenance including router software upgrades for optimal performance
- Remote support should a WiFi issue arise
- Repair or replacement of our router when needed

It really boils down to a simple choice. Do you want to spend your time doing all the necessary WiFi network setup, maintenance, and troubleshooting? Or would you rather leave all that to us and just enjoy using your WiFi with all your home's connected devices?

Venture WiFi is included with our residential internet plans. To learn more, visit www.venturecomm.net or call 605-852-2224.
